Why Charis Bible College?

A Letter from our Founder

Every successful minister goes through school.
It's just a matter of whether it's in a formal educational setting with experienced instructors ready to help or an informal one through the "school of hard knocks," alone. I took the latter route, and I must say, if you survive, it makes a great testimony. However, I don't recommend it!

The Lord led me to start Charis Bible College for the purpose of training people for the work of the ministry. He wanted me to take a unique approach; it had to be a combination of the rich teaching of God's Word and practical, hands-on ministry experience.

Whatever God is leading you to do, preparation is never a waste of time. Statistics show that 80% of ministers drop out of the ministry, and 80% of those who stay are on the verge of burnout. I believe the lack of preparation—spiritually, academically, and practically—are at the root of these statistics.

If you choose to attend, I guarantee you it will change your life and the lives of those around you forever.

"Since I joined Charis Bible College, I became a fanatic, and it warms my heart every day knowing that I fellowship with like-minded people.

I have been able to see the character of the love of God rub off on me and become a reflex action for me since this journey began. I have also been able to guard my heart from what's not of God through what I've learned in Charis.

I thank God mostly because Charis is my place called "there," and it's where I am now."

"Enrolling at Charis Bible College has been the game changer of my life. I have been introduced to building a personal relationship with God, which I never thought was possible. Who I thought I was has now been surrendered to God, as I keep growing in Him and in His Word.

The 2nd-year compulsory mission trip was so transformative, and God revealed Himself in ways I had never seen before as we reached the lost and the heartbroken with His love. Glory to His name.

Come and experience the priceless love of God, and your destiny will be assured.'

Agnes Dhatemwa
Charis Student Testimony

"It's hard to believe that I am now in the final term of my third and final year at Charis. I began this journey simply wanting to know God and His Word better, but it has transformed every area of my life. One of the greatest lessons I have learned is the depth of God's grace and His love — not only for me, but for others. This revelation has changed how I see God, myself, and the people around me.

I have also learned that everything in life should draw us into a deeper relationship with Christ. Whether it is the Word, prayer, ministry, family, work, or even challenges, they should ultimately lead us closer to Him. Charis has taught me that faith is not separate from everyday life. It influences my marriage, parenting, business, relationships, and daily decisions.

I now understand that ministry is not only what happens behind a pulpit; it is allowing God to use me wherever He has placed me. I may not have everything figured out, but I am certainly not the same person who walked into Charis three years ago. I leave with a deeper understanding of God's grace, greater confidence in His love, and above all, a stronger desire to know Christ more intimately.

I am truly grateful for my Charis journey and all that God has done in me through it."
