Tendo Witness
Charis Student

"I came from a place where the truths of God's Word was not preached at all. I was bewitched, I almost ran mad and had lost my mind. I went for deliverance services, but all to no avail until one day God led me to Charis Bible College Uganda.

By just sitting under the Word, I could feel things leaving my body. I got to know my authority as a believer and that was my turning point. Hallelujah! Now I am so free from any attacks of the devil."

Whenever such emotions prop up, all I do is to renew my mind to the truth of God's word about me. Indeed, I am not where I used to be. Thank God for a transformed life!”
